Members of the Senior Class,
Students of Grand Coulee High School:

You are learning those ideals and principles here in Grand Coulee High School that will be of benefit to you throughout your adult life. We hope and feel that you will make us proud that we had a small part in teaching those ideals and principles which will prepare you to take your places as good citizens in tomorrow's society.

Sincerely,

Lyman D. Stamper

Lyman D. Stamper

Your present state of health, happiness and prosperity is in direct proportion to your individual growth. It is not a question of "lucky breaks" of "bad breaks", life being for you or against you. What you experience in life is the result of what you are.

Your troubles come from more interest in "having" than in "being". If you want more health, happiness and well-being, you must become better people.

We feel proud to be able to help you and guide you, in your search for ways to become better people.

Sincerely,

Senior Class History

In the autumn of 1952, fifty-five scared little freshmen entered the doors of Grand Coulee High School. We were quickly in full swing, for we drew the concession for the first football game. In the spring we held the annual St. Patrick's Day dance, which was a very successful affair.

During our sophomore year we were more accustomed to G. C. H. S. and not quite so scared. Our class put forth a great deal of effort in getting our candidate votes in the queen contest. We were well repaid when our princess, Janie Mettling, was crowned queen of the carnival.

When our junior year came along, we were now pretty confident, for we had reached the upper classmen stage. How happy were we to show off our rings when they arrived in December! Our junior play, Girl Shy, which was given in the spring, was a great success. The proceeds helped build up our treasury for the Junior-Senior Banquet and Prom, both of which were greatly enjoyed.

Then our Senior year arrived and our days were filled with the usual activities. The comedy, Rest Assured, which we gave in February, was very well received. After the sneak and our Junior-Senior Prom and Banquet our great moment arrived. We were graduated May 18, 1956. No days well be quite so cherished as those spent at Grand Coulee High School.

Junior Class History

We the Junior class of 1955-1956 do ordain and establish the following as the achievements, honors, and events that have come to pass within this wonderful year.

Under the supervision of Mrs. Crawford and Mr. Jackson we have earned enough money from concessions, dances, and bake sales to make it possible for us to do our part in the Junior-Senior Prom and Junior-Senior Banquet.

Many members of our class have participated in various activities such as sports, band, mixed chorus, and G. A. A. We are proud to have Leta Weaver and Pat Boll as majorettes, and Gail Kusel as a cheerleader.

Next year we will be seniors at last, and we hope to do our best as the leaders of our school.

Sophomore Class History

Under the capable guidance of our class advisors, Mr. Carlson and Mr. Behrens, the class of "58" was well represented in clubs, sports, and music departments; and served on various committees. Many of the boys of the class were on the football, basketball, and baseball teams, while the girls participated in G. A. A. Rose Williams was again elected cheerleader and Joyce Trisdale served her first year as a majorette.

On October 29, the sophomore class gave their annual Halloween dance which was very successful. Our class was very happy when Carol Howard was selected Football Queen.

Now we are looking forward to being upper classmen for our last two years at Grand Coulee High.

Freshman Class History

On August 29, 1955, thirty-six freshmen entered Grand Coulee High School. Much to our discomfort, initiation was carried on for a short time this year.

Then, with Mr. Schanzenbach and Mr. Droz as advisors, our class was organized and we elected our officers for the first semester.

We were honored by having Sandra Humphrey chosen as a majorette. Joanne McClain was selected by the football squad as princess for the freshman class.

We all agree that this has been a very enjoyable year and we are looking forward to our next three years in high school.

Eileen,
Loads of luck to a sweet Frosh girl. Lots of luck in the future and also in all you do. I hope you have as much fun in your Junior and Senior years. Are you going down to Park Lake at the end of the season?

A friend always

Beryl Warner.

Boys' Club

The Boys' Club has been quite active this year. With money earned from concessions, the boys purchased a trampoline, which was a needed addition to our gym equipment. This spring the club plans to plant trees around the football field and to get the track into condition.

Service Club

One of the outstanding clubs in our school is the Service Club. Members of this group sell tickets at games, make posters, work on concessions and assist in decorating for dances. The club at present consists of fifteen members. Several freshmen are diligently working on points, but it is difficult to make the club during the first year unless one is an exceptionally eager beaver.

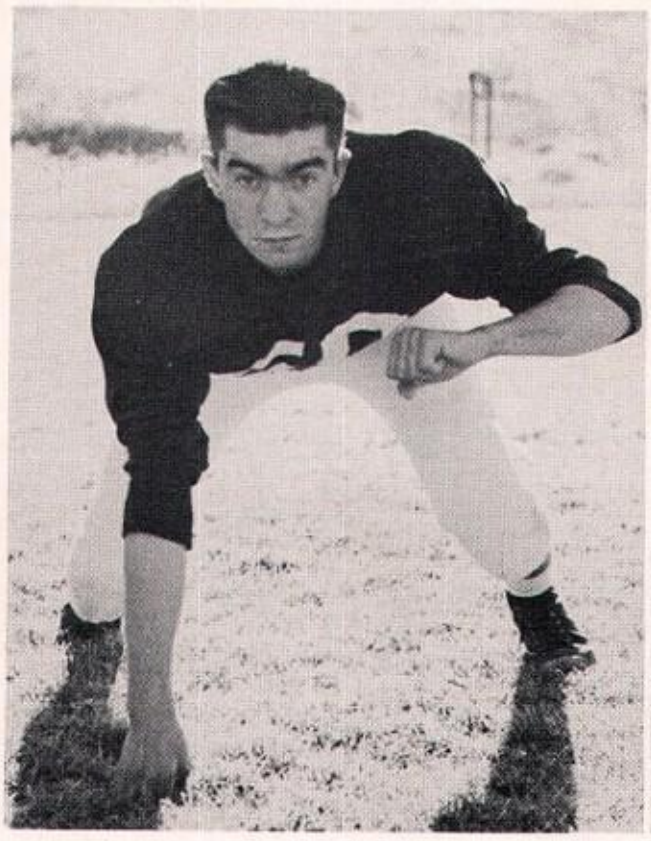
GARY WERT

JERRY BEST - Sophomore Halfback. A great linebacker who made that bone crushing tackle when it was most needed.

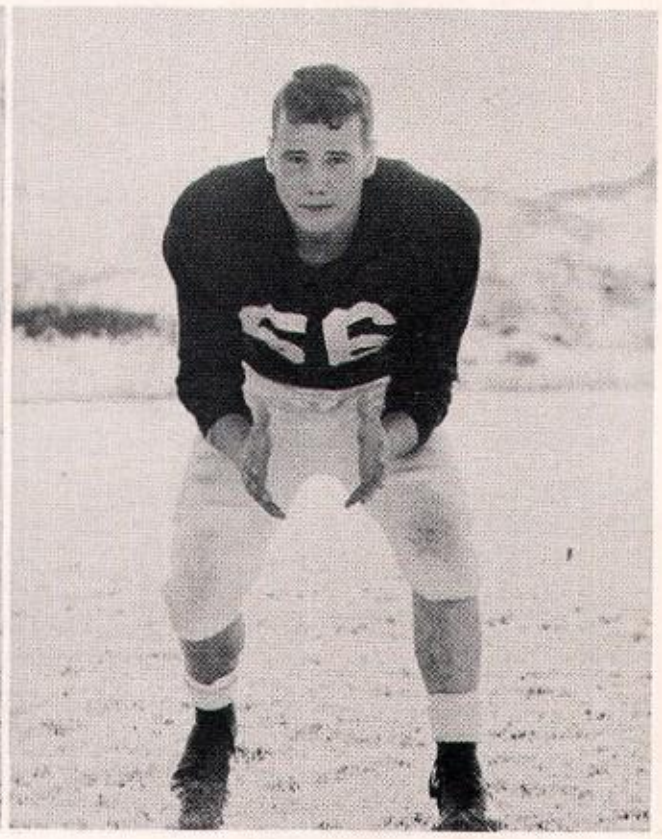
GARY WERT - Senior End. An aggressive end, his blocks and tackles will be missed next year.

WAYNE NELSON - Senior Defensive End. Wayne has desire and the hustle which substitutes for his size.

DICK POZAR - Senior Halfback. Considered one of the finest halfbacks G. C. has produced. He is looking forward to college football. Good luck, Dick.



WAYNE NELSON



DICK POZAR

MICKEY PALANUK

RONNY KERBY

MICKEY PALANUK - Sophomore Center. Did a terrific job his first year as a regular and has two big years coming up.

RONNY KERBY - Senior End. His speed, sticky fingers, and leadership qualities will be missed next year.

HERB CARLSON

Football Summary

Coach Herb Carlson's 1955 Grand Coulee Tiger football team finished eighth in the state among class B high schools, having a record of seven wins and only one loss. This loss was to Ritzville by a one-touchdown margin. The team was honored by having Dick Pozar and Ron Overbey place on the first All-Star team of North Central Washington, and Ron Kerby on the second.

Coach Carlson, after two very successful seasons with the Grand Coulee Tigers, has been called into the service where he is serving as a second lieutenant in the Air Force. Although the boys will sorely miss Mr. Carlson's expert coaching and the loss of several senior lettermen, they still hope to have a fine team next year.

Basketball Summary

The G. C. H. S. Tigers, with Dan Droz as coach, finished a very successful basketball season, with a record of twelve wins and six losses.
When the Tigers played host to a Christmas Invitational Tournament, Grand Coulee took first; Coulee Dam, second; Coulee City, third; and Almira, fourth. In the county tournament the Tigers first played Warden and won 64 to 43. On the next night they beat a Mansfield team 63 to 48. The championship game was played between Grand Coulee and Quincy. Grand Coulee played an excellent game of controlled ball, losing to Quincy by only one point--final score 19 to 18. Ronny Kerby placed on the All-County first five, and Gary Wert and Gary Larson won berths on the All-County second. The G. C. H. S. Tigers, by taking second in the county, won the right to enter the North Central Washington District Tournament which was played at Grand Coulee. After winning their first two games in this event, they played Winthrop for the championship. They lost this game by a large score, but by the rules of double elimination the Tigers played Entiat for second place. After losing, they automatically took third place in the tournament. The boys are to be congratulated for being one of the few Grand Coulee teams which have gone this far in the district.
